

# WAR IN UKRAINE

## *Making Sense of a Senseless Conflict*

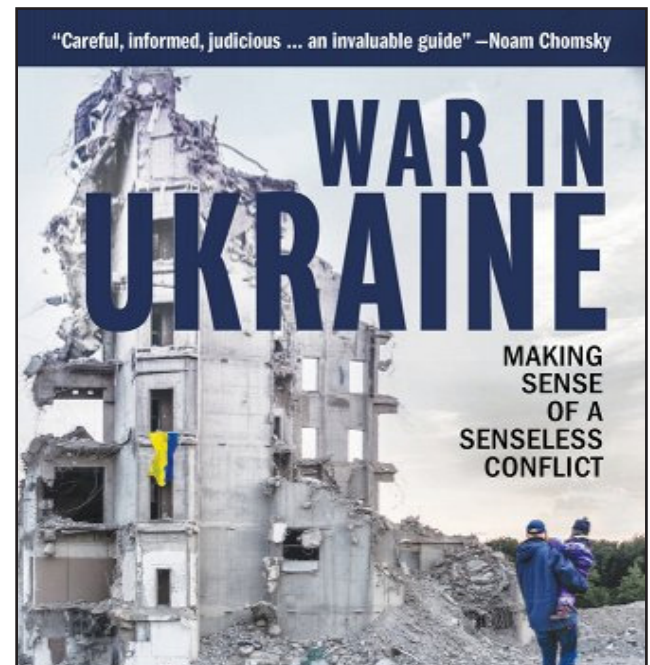

A Presentation by Book Co-author

**Nicolas J.S. Davies**

*Nicolas J.S. Davies is the author of **Blood On Our Hands: the American Invasion and Destruction of Iraq**. He has written extensively for *Huffington Post*, *Alternet*, *Consortium News*, *Common Dreams*, *Salon*, *The Progressive*, and *Foreign Policy in Focus*, among other publications.*

*Co-authored by Davies and Medea Benjamin, this vital, well-researched new book looks at the history and politics leading up to the Ukraine conflict while condemning the Russian invasion. It makes a powerful case for stopping the war now, freezing arms transfers, and negotiating a lasting peace.*
